

VOLUNTARY STUDENT ACTIVITIES IN SCHOOLS (VSA) - Ethics Lessons

Dear Parent,

Ryde Secondary College now offers from 2025 **Ethics lessons** to support students to develop well-reasoned decisions about ethical issues. Through the give-and-take of reasoned argument students learn to disagree respectfully, to challenge ideas and to support their arguments with considered evidence rather than according to habit or peer pressure. Our volunteer ethics teachers, who are trained members of the school and broader community, use detailed lesson materials which present a range of stories, scenarios and questions to generate discussion. Ethics teachers are trained to impartially facilitate student discussions, **helping students develop their critical thinking and collaborative inquiry skills.**

Primary Ethics is the sole approved provider of Special Education in Ethics by the Department of Education. We are looking to offer this on **Mondays at lunchtime in A8**. Further information about when this will start will be provided via Sentral.

According to the requirements of the Religious and Ethics Education Implementation Procedures, the school must have written permission for all students attending Voluntary Student Activities of a Religious/Ethics Nature.

Please complete the attached form and return it to your Ethics teacher before attending.

Regards,

Cassy Norris
