

## Special Religious Education and Special Education in Ethics Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website <https://rydesc-h.schools.nsw.gov.au/learning-at-our-school/religion-and-ethics.html> provides information on these options to support parent/carer choice.

SRE is offered via seminar two to four times a year.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE), including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

If your preferred SRE option is not available please contact the approved provider. Students not attending SRE are given supervised alternative meaningful activities.
