

Tax Deductible Donation for the Ryde Secondary College Building Fund

Dear Parents,

Ryde Secondary College provides parents with the opportunity to donate funds to the school which can be used for specific building related purposes. These donated funds will provide necessary general improvements in our school's environment. These may include improvements such as painting, building, modifications, Cola extensions etc. Year 12 parents may see the donation as a farewell thank you to the school, or other parents who unable to give their time to school events may choose to donate money at this time of year.

We welcome your donation towards the School Building Fund which is registered with the Australian Taxation Office as a deductible gift recipient (DGR). When we receive your donation at the school office, you will be issued with a receipt of payment, which will entitle you to a full tax deduction for this financial year.

If you have any questions, please call our office on (02) 9809-4894.

Yours sincerely

Cassy Norris

Principal
